OUTSIDE the box

To complete your return:

- 1. Print your shipping label and packing slip.
- 2. Place your item(s) AND the packing slip inside a well-padded envelope or box, like the one your item(s) came in. Mark out any older addresses and barcodes. Tape up your package and affix your shipping label to the outside.
- 3. If one of the items is HazMat, a restricted item logo is included with the packing slip. Cut out and attach this marking to the side of the package (not the top or bottom). Do not cover any part of the shipping label.
- 4. Bring your package to the nearest carrier location.
- 5. Track your return using the link in your return label email.
